BUSHFIRE WHY RISK IT?

BE PREPARED: BE AWARE:

Have a Bushfire Plan and an emergency kit ready.

Know the Fire Danger Ratings (FDR), and bushfire warning and alert levels.

Remember that leaving early is **always** the safest option.

Monitor the weather and stay informed with TasALERT (via the TasALERT app or **TasALERT.com**) or listen to your local ABC Radio channel.

Get the latest weather forecasts from **bom.gov.au**
