

# Register your fire before lighting any fire outdoors

Tasmania Fire Service

**Free call: 1800 000 699**

**Your fire is your responsibility.**

**Remember:**

- Never leave a fire unattended at any time of the year.
- Notifying the Tasmania Fire Service about your fire helps prevent false alarms and call outs.
- If someone suffers a burn around a fire, hold the burn under cool gently running water for at least **20 minutes**. Seek medical attention as soon as possible for any burns that blister. For serious burns **call Triple Zero (000) immediately**.

**What happens if my fire gets out of control?**

Call triple zero '000' or if a TTY user call 106
